ABOUT THE CHRISTMAS STORE

- The Christmas Store is a one-day event on Saturday, Dec. 10, open to pre-qualified families in southeast Carol Stream.
- 1,000+ children will receive gifts; for many, these will be their only Christmas gifts, providing needed clothing and educational tools as well as fun toys.
- Because we value the dignity of our families, we invite parents & grandparents to select and purchase presents at 75% off retail prices.
- 100% of proceeds support the Outreach Community Center's case management services, helping local families in crisis throughout the year.
